ESTHETIC RESTORATION EDUCATIONAL SERIES

Known to be a rebel, Dr. David Baird is one of the nation's most sought-after lecturers and educators on his pioneering techniques for esthetic dental restoration. His continuing "Over-The-Shoulder" educational series allows you to learn first hand, one-on-one, his advanced process of esthetic restoration and what to look for in future uses of new technological breakthroughs.

## Esthetic Restoration Overview - October 8-9, 2004

An intensive two day seminar with Dr. Baird inside his beautiful new Bellevue facility. Tour the on-site lab and meet directly with Dr. Baird's master lab technicians. Learn all types of restorative options including mock-ups, latest bonding techniques, impression and tip techniques, plus hands-on, over-the-shoulder discussions of specific treatment plans of your own. One Auxiliary may be invited pending space availability.
